If more than one entry qualifies for this bonus, the \$10,000 will be divided equally.
  6. THE SUPERCONTEST is based on picking winning teams against the SuperBook contest line. Contestants must select five teams per week, per entry. Contestants may not select both sides of the game on a single entry. However, contestants may select one side of the game on one entry and the opposite side of the same game on a separate entry.
  7. Contest winners will be determined by the total number of points accumulated during the Pro Football regular season (see rule 14). Each winning selection will be credited as one point. Ties (pushes) count as one half point.
